WORK CANCELLED

Interstate 15 (I-15)/State Route 60 (SR-60) Concrete Barrier Installation Project

Ontario—A project to remove the metal beam guardrail and replace with concrete barrier on the southbound I-15 to SR-60 east/westbound connectors and northbound I-15 to eastbound I-10 connector will begin this week. The metal beam guardrail needs to be removed because it is too costly to maintain. Concrete barrier will save money, as well as protect highway workers.

Please be advised that this project requires one to two nighttime closures to prepare for work that will take place for an enter weekend.

The closure schedule for this week is as follows:

Date	Time	Location
May 15, 2014 to May 16, 2014	8 p.m. to 4 a.m.	SB I-15 to EB/WB SR-60 Connectors
May 16, 2014 to May 19, 2014	11 p.m. to 4 a.m.	SB I-15 to EB/WB SR-60 Connectors
